CCW Class

Concealed Carry Weapon

One of the problems we all have is sorting through the immense amount of information available about the issue of self-defense. Many people have not had very much formal training in defending themselves, while some have had some type of introduction to this issue, but may not know what is legal. Enroll now in the AWSA's CCW Class to obtain a state permit to carry, and, more important, become an educated and safe gun owner.
