This class is designed to help you prevent a crime against yourself and family. We will teach you the tools that you need not to become a victim. The class explores the mindset of the criminal and his objectives. The categories to be discussed are: home, car, parking lots, purses, wallets, and recreational activities. We touch on what it takes to be a good witness for police. Three hours will be spent on the range, and perfect for someone with a CCW permit.
